PROFILE

Full-Stack Developer with a strong foundation in web development, gained through intensive training at MigraCode Barcelona, a tech bootcamp focused on real-world, full-stack applications. I specialize in building modern, responsive, and scalable web apps using **React, JavaScript, Node.js, Express.js, and CSS**. My background reflects not only technical skills but also resilience, adaptability, and a passion for continuous learning. I'm now seeking an internship where I can contribute to a forward-thinking development team, apply my skills in real-world projects, and continue growing as a developer.

TECHNICAL SKILLS

- REACT JS
- NODE JS
- EXPRESS JS
- VANILLA JS
- MYSQL
- POSTGRESSQL
